

EcoHealth Alliance takes great pride in our financial efficiency and accountability. We work to maximize the value of every dollar we receive. More than 86 percent of our expended resources support our core research projects around the world. Less than 14 percent of expended resources go toward administrative and fundraising costs.

EcoHealth Alliance is committed to transparency and in that regard publishes information on financial performance on its website.

Our greatest asset is our talented staff. EcoHealth Alliance carries its mission and strategic priorities with its staff of approximately 50 employees. EcoHealth Alliance offers competitive salary and a comprehensive benefit package including health, dental, and vision coverage, and a 403(b) pension plan.

The salary grid is listed below and is subject to change without notice.
